

Investing for Success

**Under this agreement for 2022
Urandangi State School will receive**

\$10,044.00

This funding will be used to

- 60% students Years P-4 improve Reading Competency (Phonics, Phonemic Awareness) working towards achieving C Level in Reading as an integral component of the overall English achievement.
- 80% students Years 4-6 improve Reading and Writing Competency (Reading Comprehension, Aspects of Writing) achieving A-C in English.

Our initiatives include

- Identify and implement relevant pedagogical practices for the explicit teaching Reading and Writing Competency.
- Professional Development for staff to develop skills and strategies in Reading and Writing (including EAL/D Development, Reading Screening Processes, Allocation of Ability-Based Decodable Texts, Band-Scaling in Reading and Writing).
- Implement a whole-school approach to identifying effective data collection in Quantitative and Qualitative Collection of Data Sets in Reading and Writing.
- Implement an effective whole school Wellbeing Program to enhance greater individual engagement.

Our school will improve student outcomes by
